The CNOA 45th Annual Training Institute and Law Enforcement Exposition was held November 21-24 at the Hilton Hotel in San

TRAINING:

This year's tentative schedule is as follows:

Asset Forfeiture Seminar is planned for the beginning of June at the Redding Regional Office of the Bureau of Narcotic Enforcement. This class will cover the following topics: Narcotic trafficking, asset forfeiture, case presentation, management of seized property, ethical considerations in asset forfeiture, California's criminal racketeering statute and the "seize and freeze" provisions for the aggravated white-collar crime enhancement statute, the implementation of bank record search warrants and the California Right to Privacy Act. This class fills quickly so reserve your spot early!

Drug Abuse Recognition (Mini-Dar) is tentatively scheduled for sometime in August or September and will be held in Chico.

Outlaw Motorcycle Gangs will be held sometime this summer in Eureka. We

anticipate an enthusiastic response.
